

Vote  **YES**

Amendment 1

Protect Georgia's lands and waters
for future generations

A Historic Opportunity

**The Georgia Outdoor Stewardship
Amendment will:**

- Protect lands critical to clean drinking water and the quality of Georgia's lakes, rivers and streams
- Support community efforts to build parks and trails
- Maintain and create new places to hunt and fish
- Support Georgia's \$27 billion outdoor recreation industry and the jobs created by it and other economic sectors that rely upon access to land and water
- Dedicate a portion of the existing sales and use tax on sporting goods to the protection of lands, waters and wildlife without raising or creating any new taxes or fees
- Protect these funds – over \$20 million annually – so they cannot be used for any other purpose
- Be subject to strict accountability provisions, including full public disclosure of all expenditures
